Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

Academic Success

ON-TIME GRADUATION

Students earning a diploma within four years. Cohort includes students who were first-time ninth graders in 2016-17 graduating in 2019-20.

School Goals

Our school strives to promote student success by helping students attend school regularly. Through our school attendance efforts, we work with students and their parents to inform them of the importance of regular attendance. Due to this work, we have seen the attendance rate for our school increase over the last year.

We focus on:

- Attendance rewards and recognition in 7-12

- Attendance recognition for K-6

School Environment

REGULAR ATTENDERS

Students who attended more than 90% of their enrolled school days.

Academic Progress

ON-TRACK TO GRADUATE

Students earning one-quarter of graduation credits in their 9th grade year.

FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years.

COLLEGE GOING

Students enrolling in a two or four year college within 16 months of completing high school in 2017-18. Data from the National Student Clearinghouse.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school strives to ensure that all students and their parents feel safe and welcome.

We provide:

- Interpreters for parent meetings
- Security doors to screen visitors
- Student empowering programs
- Anti-bullying instruction
- Safe Schools training for all staff
- Early Learning activities
- K-6 family engagement events
- Focus on Crisis Response
- Second Steps
- School-wide safety cameras
