

To better serve students, buses will make multiple stops tomorrow to deliver “grab and go” meals to any currently enrolled student who wants one. Teachers have also put together work packets for K-7th grade students. Much of junior high and high school work will be online so students will need their Chromebook.

Please call the school and leave a message if you would like to have your students Chromebook go out for pick up on the bus run to deliver meals. Buses will deliver these packets and Chromebooks, along with meals at each stop. Here are the stops and times for each bus route:

Because students are more recognized by our staff, at least one student from each household should be present to pick up the meals. Buses will be on a tight schedule. We recommend arriving at your chosen stop 5 minutes early, if no one is present at a stop, at the schedule arrival time, buses will skip the stop.
